

A life changing journey

Tiefe Veränderungen und große Dankbarkeit

EIN BERICHT ÜBER UNSERE SÜDAFRIKA-REISE

14. - 31. JULI 2016

Apartheid Museum - Johannesburg

Humanity was born in Africa.
All people, ultimately, are African.

Wiege der Menschheit – Cradle of humankind

Human populations appear to be different in terms of colour, body size, limb proportions, hair texture and other physical attributes. Beneath the surface, we are a virtually identical. There is no genetic boundary for race
we are one species
